

We believe in the development of open and enquiring minds; enabling everyone to achieve the very best they can in everything they undertake.

Dear Parents/Carers

Brooksward School Council have decided to throw a fund raiser on **Friday 13th December** where the children can wear a Christmas/winter jumper to school to raise money for the charity Save the Children. This charity supports children based in the UK.

We will ask for a minimum donation of 50p per child, although you can donate more if you wish. The school council representatives from each class will collect the money on the day of the event.

Many thanks,
