

Brooksward School Foundation Stage and KS1 Results 2021-22

Brooksward School Foundation Results 2022

Children in the Foundation stage work towards a Good Level of Development (GLD) which is a measure of average attainment prior to Year 1. In 2019 **78.13%** of pupils at Brooksward achieved this level compared to **72%** nationally in 2019. In 2022, Brooksward had **75%** of children achieving GLD compared to ??? nationally in 2022. NOTE: **The 2022 national has not yet been released but we remain above the 2019 national.** This shows that achievement in the foundation stage at Brooksward is higher than in all schools nationally

Brooksward School Phonics Screening 2022

Children in Year 1 are required to take a Phonics Screening Check to ensure they are on track to becoming confident readers. In 2019 **100%** of Year 1 pupils passed the check compared to **82%** nationally in 2019. This shows the effectiveness of phonics teaching throughout the school and means that pupils at Brooksward are better prepared to become lifelong readers by the time they leave Year 1 than all pupils nationally. In 2022, **69%** of pupils passed the phonics screening compared to **75%** nationally in 2022, which unfortunately shows the impact of consistent phonics teaching in early school years and the impact of the school closures. Discounting 3 children with high-level needs who were unable to access the test, we would have achieved **75%** in line with the 2022 national average.

Brooksward School KS1 (Year 2) results comparison July 2019 – July 2022:

	READING				WRITING				MATHS			
	BW 2019	BW 2022	National 2022	Difference	BW 2019	BW 2022	National 2022	Difference	BW 2019	BW 2022	National 2022	Difference
Pupils at age related expectations (ARE)	79%	73%	67%	+6%	76%	65%	58%	+7%	82%	73%	68%	+5%
Pupils at greater depth (GD)	33%	17%	-	-	30%	6%	-	-	30%	19%	-	-

The 2022 results show that although we have not quite achieved pre-Covid levels, we remain above the national averages for all children.
